President's Message

Hello Ladies,

The 3 **GFWC Club Membership Social** was a great success! We had 3 prospective members come to our meeting and two signed up. A warm welcome to **Michele Holley** and **Julie Ames!** We plan to have another Social in the Fall.

Hold on to your hats as we have several projects and ideas going on which you will read about in this newsletter. A heartfelt thanks to all the Juniors who stepped up to chair departments. An upcoming project is the Hope Lodge baskets – so please see what items you can bring to help stuff 40 baskets. **Robin Shannon** and I had a busy afternoon putting together 50 hand made greeting cards for this project! Thanks for your help, **Robin.**

Business Expo is Tues., **March 9 from 4-7 PM.** Juniors **Jeannie, Debbie, Donna, Coleen, Lynn** and I will be manning the booth which is E-24 on the east end of the USF SunDome next to the TT Chamber Booth. Juniores will be face painting beside us at E-23. Thanks so much to all the Juniors who did the 'prep' volunteer hours – *you know who you are!* **Relay for Life** is **March 26-27 – Cheri,** my sister **Della** and I just about froze our butts off to raise money at the Relay Yard Sale. Please let us know at the meeting if you can help by walking laps – Relay is an overnight event because 'cancer never sleeps'.

We will partner with the **Tampa Juniors** and **TT Juniores** on **April 29 at Tampa Hope Lodge.** We will be hosting a **cookout** for the residents (hot dogs, hamburgers, etc.) then bingo and a card making party afterwards. Should be great fun! We need to get some food donations and bingo prizes (Dollar Store items). Thanks so much to **Sharon and Mike Grace** for donating hotdogs and buns.

The **GFWC Florida Federation Board of Directors Spring Convention** is **April 9-12** at the Rosen Plaza in Orlando. This is an exciting convention as awards are presented and we learn of all the great projects and volunteerism going on throughout the state! Deadline for registration is March 22, so let me know ASAP if you want to attend. Also, if you can, please donate an item for our 'gardening' theme basket for the FFWC Fundraising Table (small items: seeds, a flower pot, gloves, etc.).

Thanks for all you do,

Anita

Department Updates

I'm pleased to announce our new Department Chairs for 2010:

Art Department - **Donna Meketsy**

Education Department – **Kim Schisler**

Conservation Department – **Coleen Garner**

Home Life Department – **Karen Jackson & Jane Land**

International Affairs – **Sharon Grace**

Public Affairs Department – **Julie Bedford**

Please give these ladies all your help by attending meetings and help with your department projects & events. With a smaller membership this year, it will take ALL of us to have a productive year that will enable us to support all of our charities.

Our departments have come up with lots of great ideas for new department projects. Please let your department chair know of any new ideas you have or a charity you would like to see us become more involved with.

At our next meeting we'll be putting together our Baskets for Tampa Hope Lodge, please remember to bring the items listed below. Another fun event is the Art Auction in April; I hope everyone will try to attend.

Department Updates – Continued

Projects the department discussed for 2010

- The Artful Bra (Breast Cancer Awareness) for the Spring Convention in April (see below) – More info regarding making a Bra will be forthcoming
- Riverhills Art Festival (November)
- Cards & Easter Baskets for Tampa Hope Lodge (April)
- Arts & Crafts Contest (November)
- Musical Instrument Donation to schools (on-going)
- Participate & Assist in Scrapbook for 2010
- Donations for Art Supplies for Elementary Schools
- Showcase of Temple Terrace Artists
- Create Christmas Wreath for Gaylor Palms ICE lobby (Oct)

To keep breast cancer awareness in the forefront, we have decided to present a project for the GFWC Florida Federation Spring Board that we feel will do just that. It is called **The Artful Bra Project**. At Spring Convention in April, 2010 all members may enter a bra. It must be size 36C, and must be decorated outside as well as inside including the straps. This is not to be entered in your club or district arts and crafts competition. Bring your bra to be registered and judged to the designated location. After they have been judged, you may pick them up or allow us to keep them for the traveling exhibit. All the bras will be sewn onto padded hangers, which we will supply if they are going "on tour". Needless to say, we hope you will allow us to keep them. Underwire, soft cup, minimizer, Wonderbra, Playtex, Victoria's Secret and on and on and on!!! As women, we face the dilemma every day of what style to wear, what size, what color or what brand. As we are all too aware of, there are many of our fellow members who may not have any of these choices to make. We have all been affected by breast cancer. A contest will be held at the March meeting to vote for your favorite bra entry at 25 cents per vote (vote as often as you like). The funds raised will go to our Relay for Life Team, so get creative and make a fun themed bra to support breast cancer awareness.

Donna Meketsy, Art Department Chair

Conservation Department

During the February meeting we discussed several projects the Conservation Department would like to complete this year. They include continuing with the bi-yearly Adopt-A-Highway cleanup on 56th from the river north to Fowler, Vegetable Growing Contest...donating the plants after the contest to a community garden or high school agriculture program. If anyone knows of a local community garden, please let us know.

We will be collecting eyeglasses for the Lions Club, collecting and recycling printer cartridges and aluminum cans to help off-set some of the clubs expenses and collecting cell phones and batteries to properly dispose of them.

Conservation will be hosting the March meeting and will be doing a presentation on how to make **GREEN** cleaning products.

We hope to see you there.

Coleen Garner, Conservation Department Chair

Education Department

Thank you to all who gave their wonderful ideas to the Education Department! As we continue through the year we are looking forward to the following events: the annual Temple Terrace Reads, collection of Campbell's Soup Labels, supporting Great American Teach-in, book exchanges, improving and continuing education and literacy programs, and possibly incorporating Learning at the Laundromat. More to come about this idea!

Please remember we are continuing our Box top collection. It is an extremely easy way to help provide funds to the Temple Terrace Schools.

If you any more ideas please let **Kim Schisler** know at 813-401-8040.

Department Updates – Continued

Home Life

Home Life is asking for your help with some upcoming functions.

Relay for Life

The first is in support of our own club's Relay For Life Team. Relay for Life brings our community together to raise money for the American Cancer Society. Monies raised at this and state wide events like this one has the goal of heightening cancer awareness, educating the public on preventive measures against cancer, and bringing us closer to finding a cure for cancer.

How can you help?

You can

If you would like to be part of our Junior's Relay for Life Team, please contact **Cheri Donohue** at cheri.donohue@gmail.com.

And/or you can

Bring to the next meeting or drop by **Kelly's**, 11885 Raintree Drive, 984-8980 by Thursday afternoon, March 25th or by 3:00pm Friday, March 26th refreshments for the team to have during the two day event. Just to give some suggestions for refreshments but certainly not limited to: bottle water, canned soda, chips, crackers, cookies, sandwiches, ice, and fruit.

Baskets for the Hope Lodge

The second is helping to create beautiful Baskets to be donated to the Hope Lodge. The Hope Lodge, run by the American Cancer Society, is a facility adjacent to Moffitt on the USF campus. It provides free lodging for patients undergoing treatment at Moffitt where the distance between their home's and Moffitt is too great to make between treatments.

How can you help?

Due to special needs as conveyed by the Hope Lodge, we would appreciate members bringing an items off the following list to be included in the baskets that we will be putting together prior to the March General Meeting. Home Life will be supplying 40 baskets, grass for each basket, wrapping for all of the baskets, and ribbon.

Items for the Baskets:

Hard candy (sealed)

Pocket size Kleenex

Paper of Note Pads

Pencils/Pens

Nuts (sealed)

Chapstick

Magnets

Cards

Fun books (Crossword Puzzles, Word Searches, Card games, etc.)

Nothing with a strong odor

Upcoming Events

In May, we will need club support with the Mother Daughter Tea. Please look for details coming to your way at the General Meeting and in our Newsletter.

Department Updates – Continued

International Affairs Department

This department is excited to continue some of our favorite projects and dig up some from years past.

We hope to continue the Heifer International project which goes to help a community to achieve self sustaining sources of food and income from animal sourced products. We would like to call it the “Happy Heifer”. Each member should bring a dollar and some thought of the month that made you happy. It can be something that you experienced during the month, perhaps something you saw or heard that makes you happy- you get the idea. We will go quickly around the room at meetings and juniors can pay a dollar and speak your happy thoughts! Our thought is that the department will match the amount to donate at the end of the year.

We want to continue to donate to Operation Smile which provides citizens of developing countries with medical supplies, surgical treatments, etc.

PET International is an organization that provides mobility for people that are victims of land mines, injured from polio or other calamities that limit mobility. Amber is checking into a date that we might go and help out. More details at our next meeting.

We would like to bring back the membership International dinner where we hold a potluck dinner with each member bringing in a dish from their country of origin to share with the club. We hope to be able to do this at our October meeting and it would coincide with bringing in canned goods for World Food Day and perhaps donations to the United Nations (both are during October).

Another membership building activity would be to offer nights out at a variety of ethnic restaurants where we can share fellowship and take our hubbys and or significant others.

If you have any suggestions or ideas please email me at scdancertt@verizon.net

Sharon Grace, International Affairs Department Chair

Public Affairs Department

Thank you for everyone’s input at the last meeting! We have a lot of good ideas for the Public Affairs Department for this year. Some of the ideas we came up with were: a photo-op with McGruff the crime dog, a new and improved military project, Adopt-A-Senior at John Knox and a blood drive. If you have an idea for this department please let me know.

Please continue to bring in coupons for military families to the general meetings.

Our department will be making a bra for the Artful Bra Program. If you would like to participate, please let **Julie Bedford** know.

Our Easter Egg Hunt is Saturday, April 3rd, at 10:00 at Riverhills Park. We are asking the Juniors to help out again with refreshments (cookies/cupcakes/brownies) and we will have a sign-up sheet at our next Juniors meeting. Also, if you want to donate individually wrapped candy for us to use to stuff the eggs, that would be most appreciated.

Disney® "Give a Day. Get a Disney Day." Program

The General Federation of Women's Clubs is excited to be a part of the "Give A Day. Get A Disney Day" promotion as an approved volunteer organization through the HandsOn Network. The program celebrates volunteerism by offering a complimentary one-day admission ticket to a Disneyland® Resort or Walt Disney World® Resort theme park upon successful completion of an eligible* volunteer activity.

GFWC is working with the HandsOn Network, the volunteer-focused arm of the Points of Light Institute, to make the verification process as easy as possible for clubs. All events and volunteers must be registered with the HandsOn Network. GFWC is an eligible volunteer organization, meaning, that as a federated club, individual clubs are also approved and do not have to apply for separate approval. The GFWC Membership Services Department will work directly with the HandsOn Network to register and verify club events and activities.

In order to qualify for the free Disney ticket promotion, GFWC clubs **must** follow these steps and guidelines:

- Establish a "GFWC Club Contact" to serve as the liaison with GFWC for your club's "Give A Day. Get A Disney Day" event. The GFWC Club Contact can be anyone from your club. She is responsible for registering the event with GFWC using the GFWC Event Registration Form, communicating with volunteers, and providing GFWC with a list of all eligible* volunteers upon successfully event completion.
- Plan your qualified volunteer service event and have your GFWC Club Contact register this activity with GFWC using the [GFWC Event Registration Form](#) **at least two weeks prior** to the event date.
- The GFWC Club Contact downloads the [GFWC Event Registration Form](#), completes the Form, and returns the Form to GFWC via e-mail at GFWC@GFWC.org or fax to 202/835-0246. This must be done at least two weeks prior to your event date.
- GFWC will register the event with the HandsOn Network within three business days.
- Your GFWC Club Contact will receive an e-mail from GFWC when this registration process is complete.
- Your event will be listed on the "[Give A Day. Get A Disney](#)" webpage at www.disneyparks.com within 60 days of your event. Events are searchable by zip code.

A note from the Leadership Chair – Continued

- Each volunteer **must sign-up** individually for your club's service event in order to be eligible for the free theme park ticket. This is done by going to www.disney Parks.com, clicking on the "Give A Day. Get A Disney Day" link, and completing the online HandsOn Network registration form before the scheduled event.
- Upon immediate conclusion of your club's event, your GFWC Club Contact must send a list of all participating volunteers to GFWC via e-mail at GFWC@GFWC.org or via fax to 202/835-0246. This step must be completed within 24 hours of the event's completion.
- GFWC will verify the event and participants with Disney and the HandsOn Network within three business days.
- Once verified, all participating volunteers will receive an e-mail with instructions on how to print and redeem a voucher for a free theme park ticket.
- Volunteers follow the instructions in the e-mail from the HandsOn Network, log in to their HandsOn Network profile, and print their theme park voucher.
- Vouchers are redeemable for a one-day, one-park admission ticket to a Disneyland® Resort or Walt Disney World® Resort theme park through December 15, 2010. Certain restrictions and blackout dates apply.

Disaster Relief Funds

GFWC RESPONDS TO HAITIAN DISASTER

Updated January 22, 2010 - From generous gifts to small gestures, GFWC clubwomen have a significant history of generosity when natural or manmade disasters devastate communities. In an effort to assist the Haitian community in the aftermath of the recent earthquake, GFWC has established a **Haitian Disaster Relief** effort through the GFWC Disaster Relief Fund. GFWC is collecting donations to directly help those affected by this catastrophe. In addition to CARE and UNICEF, the GFWC Executive Committee recently approved three additional GFWC International Affairs Partners, Heifer International, Plan USA, and Save the Children, as intended recipients of the GFWC "Haitian Disaster Relief" effort through the GFWC Disaster Relief Fund. To ensure monies collected through the GFWC Fund make significant and sustained impact in the relief and rehabilitation effort, the GFWC Executive Committee established guidelines in selecting partners for this specific effort. We are excited to work with CARE, Heifer International, Plan USA, Save the Children, and UNICEF during this critical time in Haiti's history. Together, we are making a difference. As the rehabilitation and rebuilding process moves forward in Haiti, GFWC will continue to closely monitor the delicate situation and work with our International Affairs Partners. The collective impact of GFWC clubwomen working together to assist those in need demonstrates the true power of the Federation. All donations will be acknowledged and recognized. Thank you for making a contribution today.
