## President's Message

What a wonderful summer! I can't believe summer is almost over and it's time to get back to work. We will have many opportunities for you to share your caring hearts over the next few months. Please read through the newsletter for important information and dates.

Our first event is NATIONAL NIGHT OUT on TUESDAY AUGUST 5<sup>th</sup>. We will be doing the face painting. Set up is at 6:30 and the event is 7:00-9:00 at the Temple Terrace Recreation Center. We need 3 volunteers. Please contact Jeannie Waterman at [jdwaterman@verizon.net](mailto:jdwaterman@verizon.net) to sign up.

FALL BOARD will be held in Orlando, September 12<sup>th</sup> – 14<sup>th</sup>. This is a great opportunity to learn more about other clubs and activities throughout the state. Several workshops will be offered and we will share ideas for future projects. Best of all it's a great time to socialize with your sister clubwomen and make new friends. The registration deadline is August 22, 2008. If you are interested in attending, please contact me or you can view the schedule at [www.gfwcflorida.org](http://www.gfwcflorida.org)

Education and Public Affairs Department will host our first GENERAL MEETING on August 21<sup>st</sup>, 2008, where we will have lots of exciting information to share. Please check the Committee Corner to see what you need to bring. This will be our busiest meeting. We will get reacquainted and get started on all our fall projects.

We are already working on our major fundraisers: Please take time to work on the COOKBOOK – the website is <http://www.morriscookbooks.com> on the right you will see the link to the "type n' save program", Click on, put in your name, the group login "caring hearts", and then the password 26102 and put in recipe. It is our goal to go to press in September so that we can start selling in October. Advance sales are welcomed! Please pre-sell! Contact Coleen Garner at [coleen.garner@verizon.net](mailto:coleen.garner@verizon.net) for sales coupons.

The HARVEST JUBILEE – A FALL BOUTIQUE – October 18<sup>th</sup>, 2008 at Woodmont Club-house 10am-2pm - volunteers needed to work on this project - our major fundraiser - please let me know ASAP how you would like to assist.

The SCRAPBOOK COMMITTEE is currently working on putting together our club scrapbook. The scrapbook will be taken to Fall Boards in Orlando on Sept. 12 to be judged in a Club Scrapbook contest with other Junior clubs in Florida. All Department Chairs (or someone from your department) will be required to complete one page for their respective departments. Please let Jeannie know if you have any photos, articles, etc., to be used for the scrapbook. With your help we can do it!

We have received a request to participate in the CAIR FLIGHT transportation program. These are often needed on short notice. If you are available at the time of the request, follow the instructions provided and know that your efforts will be most appreciated.

It's going to be a busy and rewarding Fall – remember that your choice to participate and your efforts are always appreciated.

Department Update

Hope you have enjoyed your summer! Our Departments have some great activities going on, there is something for everyone to do! We will be collecting school supply donations, along with donations for a local soldier and his company in Iraq. The Book Exchange will be held in conjunction with Terrace Reads & the Fire Dept. Open House. Remember that most of our activities go through a department, if there is a project that you would like the Club to consider, present it to the board. Even though we are divided into departments, our members can work on any projects that interest us, no matter which department they are organized through. Read your newsletter carefully because there is a lot of information about our upcoming activities. And let's remember to support our department chairs and club officers for all they do!

- Anita Long, V.P. of Departments

Education Department

To kick off the new school year, we would like to request that each club member bring a couple "Back-to-School" items to the August meeting (such as notebook paper, pencils, composition books, rulers, etc.). Possibly pick a few extra items while shopping for your children's back-to-school supplies. All school supplies will be donated to our area schools.

*Box Tops for Education* are another way we can sup-

port our schools. We will have a "Back-to-School" symbol on a variety of products from cereals to desserts to frozen foods to toilet paper, etc. Bring your clipped Box Tops to each meeting; we will redeem to earn cash for our schools.

- Jeannie Waterman, Chair

Public Affairs Department

Our 4<sup>th</sup> of July parade float was beautiful "Field of Flags to Honor our Fallen Heros". Margaret Mitchell (& husband Bob) of the TT Woman's Club did an outstanding job of designing this years float. We had lots of fun decorating the float and enjoyed participating in the parade with our sister club members from the TT Woman's Club & TT Junioresettes. Many thanks for Lynn & Anita for helping to increase our club membership by giving out membership info to "potential Juniors" attending the parade.

The 25<sup>th</sup> Annual National Night Out will be held on August 5<sup>th</sup> the Temple Terrace Recreation Center Family Complex at 6610 E. Whiteway Drive starting at 7:00 PM. Our club will have a table and will be helping the Junioresettes in face-painting the children. We need 2-3 Juniors to help at our table that evening. Please contact Jeannie if you are available to help out that evening (from 6:30 – 8:30 pm). This is a great family fun event, bring your children for free ice cream, games, rock-climbing, crime-fighting super heroes and lots more.

We have come across a Temple Terrace soldier serving in Iraq and have made a small monetary donation to his unit to help them maintain their personal internet access. In addition, we would like to put together a "Care" package for Sgt. McCullars and his unit (about 25 guys). If you would like to contribute, the following items are needed:

Sun Block

Bug Spray (lots of sand fleas)

Beef Jerky

- Bars of Soap
- Tooth Brushes & Toothpaste
- Magazines (NASCAR & Sports)
- Cookies
- Books
- Pads of paper & envelopes (to write letters home)
- Playing cards
- Frisbees, footballs (things to do on their down time)

Please bring a few of the above listed items to the August meeting and we will mail directly to **Sgt. McCullars**.

Hi, everyone! Hope you had a great summer! Please take a look at the dates below and be sure that they are on your calendar.

At the August General Meeting, there will be a sign up sheet for working scrapbook pages for our Club Scrapbook due at Fall Boards. Please take a look around and see if you have any articles, invitations, pictures or other items pertaining to a Junior event that could be used in the scrapbook and bring them with you to the meeting. Looking forward to seeing everyone,

Just a friendly reminder that the Education & Public Affairs Department is scheduled to host the August General Meeting. Hopefully, the items below will help to get you started with organizing your meeting. The particulars of who will be doing the pledges and devotional will need to be provided to me so that I can have them included on the General Meeting agenda. Also, if there are items that you might need and want the general membership to bring with them to the meeting, let me know that as well. I will be sure that Lynn has that information to include in her reminder email out to the club. I will need all of this information no later than Monday, August 18<sup>th</sup>.

**Club Affairs**

Any newspaper articles that you find on any of the community projects that we have done, please cut them out and get them to one of this committee's members – **Joyce Johnston, Lauren Marler, Jeannie Waterman, Ruth Morris, Anita Long, Lynn Werner or Sarah Hebert.** Another option is to drop them in a folder in the membership filing box that is available at every general meeting. Also, any photographs taken at any event will need to be turned into these ladies as well.

Please keep in mind that our **scrapbook** is due by Fall Convention in September. In the spirit of starting a new year, let's collect items as events occur. Hopefully by doing this, the scrapbook will make its own pages!

Ladies it is not too early to start thinking about upcoming events that Juniors will be hosting. If you are chairing an event, please get the information to promote it to one of this committee's members. **Also, you will need to figure a 3 week lead time so that the committee will have time to get it into the newspaper.**

Finally one other item that I need to stress to everyone, this committee needs your cooperation in receiving newsletter articles in a timely fashion for publication in our club newsletter. Since the newsletter is emailed and sent out in the mail to other organizations in the community, please have any articles that you wish to have published to **Lynn Werner** at [ttwerners@msn.com](mailto:ttwerners@msn.com) by last Friday of the month to meet the monthly cutoff. Below are the Newsletter cutoff dates:

- August 29<sup>th</sup>
- September 26<sup>th</sup>
- October 31<sup>st</sup>
- November 28<sup>th</sup>

Anything received after the cutoff date will not be included in the newsletter. Please get your newsletter articles in on time – Thanks!

*- Kelly Hancock*

**Scrapbook**

It's time to start putting our club scrapbook together for submission to the Scrapbook Contest at the GFWC Florida Federation Fall Boards in September. Please collect all club info (newspaper articles, photos, invitations, etc.) from events our club has been involved with since last October and give to Jeannie. If you would be interested in creating a page for our scrapbook, a sign-up sheet will be available at the Aug. 21<sup>st</sup> meeting along with the materials for you to take home. We plan on having a "Scrapbook Day" on Sat., Aug. 16<sup>th</sup> from 10am-2pm at Business Ink Printing (8834-C N. 56<sup>th</sup> St., TT, FL 33617). Please try to stop by to give us a helping hand in preparing our club scrapbook.

*- Jeannie Waterman, Chair*

**Ways & Means**

Welcome back. Hope everyone had a great summer! The cookbook is off to a good start. We have already collected and input 165 recipes. Remember to ask friends and family if they would like to contribute.

The Harvest Jubilee is set for October 18<sup>th</sup> at Woodmont. If anyone would like to chair this event, please get with me.

Further information will be available at the August meeting. Thank you.

*- Coleen Garner, V.P. Ways & Means*

**A MESSAGE FROM YOUR FFWC PRESIDENT**

Dear Federation Friends,

I hope you are each having a wonderful, relaxing and fun-filled summer! For this president the summer continues to race by. Many people are busy making preparations for our Fall Board of

*Continued next page*

Directors Meeting to be held September 12-14 in Orlando at the Rosen Plaza Hotel. Your club president should have received a copy of the Call by now and I hope that each of you will make your reservation and plan to attend.

We will be going "Down on the Farm" so pack your blue jeans or overalls for a fun time on Saturday night. Be sure to tuck a \$5 bill in your pocket before you come to the Friday night dinner so that you can participate in the fun activity that President's Project Chairman Charlyne Carruth has in store for us! Show your Federation pride on Friday evening by wearing your club T-shirt, an FFWC shirt or GFWC shirt...anything that represents our Federation!

We are asking that everyone who attends the Friday night dinner please bring one or two non-perishable food items (especially protein items such a canned tuna, chicken or peanut butter). We will begin fighting hunger and poverty here at home by making a contribution of these needed items to a local food bank run by Second Harvest. You will have a special bag on your dining table to fill with your items.

Since I last wrote to you much has happened. A combination of the 2006-2008 and 2008-2010 officers and many FFWC members traveled to Chicago to attend GFWC Convention. It was certainly worth the trip as we came home with lots of information to share with you and many, many awards in recognition of all of the hard work that our GFWC Florida clubs did this past year. I know that our Immediate Past President Pat Keel and Immediate Past Director of Junior Clubs Candi Aubin are eager to share this news and the awards with you during our business meeting at Fall Board.

While in Chicago it was announced that members of GFWC have selected "Domestic Violence Awareness" as our GFWC signature project. We will

continue in this work during 2008-2010. In 2010 at the start of the next administration it will officially become our signature project and even greater emphasis will be placed on this issue.

Another highlight of the Chicago trip was the installation of our new GFWC International President Rose Ditto and her Executive Officers...a lovely evening of red roses and music. With the Taste of Chicago right across the street from our hotel we also found time to wander over to Grant Park and sample some of the food for which Chicago is famous!

Earlier this month your state leadership met at the Gainesville Woman's Club for Summer Planning 2008. Under the direction of First Vice President Pat Zazzarino, the weekend was spent planning for 2008-2010. Junior chairmen met with their general counterparts, District Directors and Junior Directors worked together, your Executive Committee met, state committees met and many ideas were shared and their implementation started. It was not all work and no fun however. The Executive Committee led a lengthy though rousing rendition of Federation Had a Farm, there were some team building exercises that had everyone laughing, shopping for Heifer and FFWC items, and you will need to ask the GFWC Panama City Woman's Club to show you photos of their Heifer Patrol car!

Changes have occurred at your FFWC Headquarters these past few weeks as well. We have had a staff change in our office secretary and now have Chrissy Fry working in our office. She is quickly "catching up to speed" as she prepares materials for you for Fall Board. When you are in Orlando at Fall Board, please stop by the headquarters table and give her a friendly hello.

We have also made some improvements in our office with the purchase of a new computer and

*Continued next page*

some new software...and we have finally gone to a DSL high-speed Internet service...no more dial up! We are about to upgrade our copier so that we can better serve you, our members...and make the job of our office secretary a bit easier! The flag is still flying on the flagpole in front of our building and the grass is green from all of the rain!

Let me remind each of you that a gift to Heifer International in the name of a loved one makes a very special present. Thank you to those of you who have already sent in a donation. I take great delight in being able to write and thank you for your thoughtful and generous gifts and I absolutely love sending the special cards to those who have been honored or remembered.

Begin now thinking about your Christmas shopping and perhaps add a few Heifer animals to the list of gifts you are giving...or let that special someone know that you would love to have chickens or rabbits or even an alpaca given in your name! Any contribution that involves a gift should be sent directly to me and I will make sure that you get a thank you (and tax deduction verification) and the recipient gets a note. If you just wish to make a contribution you may mail that directly to headquarters in Lakeland. Be sure to indicate Heifer International on the memo line and make the check payable to FFWC. Please do NOT send your donation directly to Heifer International...they are planning on your sending it to FFWC as part of our President's Project.

Finally, be sure to visit our FFWC website when you finish reading this letter. Webmaster Sara Castelli continues to add new information and pages to our site everyday. She does a wonderful job and those who contribute items are truly appreciated. There are some new pages including a Chaplain's Corner and a Breaking News page from the state chairmen. Take a look! Go to [www.GFWCFlorida.org](http://www.GFWCFlorida.org)

*With high hopes,*

**Linda Dennis**
