Extra special thanks to Nancy Hutson, Misty Winter, and the membership team for hosting the event.

We gave thanks to all the phenomenal ladies who served on last year's board and installed our new board. Service awards were given in recognition of year's served.

Congratulations to all our award recipients:

Jeannie Waterman – Lynne Blount Leadership Award

Anita Long – Cheri Donohue Award for behind the scenes dedication

Lynn Werner - Joyce Johnston Award for the most service hours in one year

Beth McCullough - Honorary Award for over 10 years of service

Way to Go Girls!

We officially welcomed Sarah Hebert as a new provisional and look forward to working with her on some of our many upcoming projects.

Juniors were very busy in January. The month went very quickly and I'm glad to say that reporting is behind us once again!

At our February meeting we will be getting together in our departments to plan for 2008. Be thinking about and bring your thoughts for this year's projects and events.

The first project this year was to treats to the Daddy Daughter Dance on Sunday, February 10, 2008 at the Lightfoot Center. Thanks to all the ladies who delivered sweets to the event.

Relay for Life is underway. This year's TTJWC co-captains are Anita Long and Jeannie Waterman. Please look for more information on how you can participate in this special event.

We are continually looking for new and creative ideas regarding meetings, membership, departments, committees, and fund-raising, etc. Please bring your suggestions to the next meeting.

Remember – no matter how much time you have to give – you are making a difference in our community – and your efforts are very appreciated.

Looking forward to seeing you all at the General Meeting on February 21<sup>st</sup> and to a fun and exciting year!

Junior Love,

**Lynn**

## Department Update

Departments should meet as a group throughout the year. Many members find it convenient to meet before our monthly meetings. Please explore this and other options to best suit the needs of your entire department. These brief meetings help make the verbal reports and project updates run smoothly for the entire club. Remember - your participation and help is what makes Juniors such a great club!

## Committees Corner

When I think about the month of February, I think of Chocolate especially since we celebrate Valentine's Day. Those of you that know me, know that I really do not have to have a reason to have chocolate – actually, any reason at all to have chocolate will do! I included this ingredient

breakdown of chocolate in a February Committees Corner newsletter article several years ago and felt that it was as appropriate then as it is now. Hopefully, you will forgive my repetition and understand from one chocoholic to another. Happy Valentine's!

- Kelly Hancock

## Chocolate is a Vegetable:

Chocolate is derived from cocoa beans. Beans= vegetable. Sugar is derived from either sugar CANE or sugar BEETS. Both are plants, which places them in the vegetable category. Thus, chocolate is a vegetable.

To go one step further, chocolate candy bars also contain milk, which is dairy. So candy bars are a health food. Chocolate-covered raisins, cherries orange slices and strawberries all count as fruit, so eat as many as you want.

If you've got melted chocolate all over your hands, you're eating it too slowly. The problem: How to get 2 pounds of chocolate home from the store in a hot car. The solution: Eat it in the parking lot.

Diet Tip: Eat a chocolate bar before each meal. It'll take the edge off your appetite, and you'll eat less.

If I eat equal amounts of dark chocolate and white chocolate, is that a balanced diet? Don't they actually counteract each other?

Chocolate has many preservatives. Preservatives make you look younger.

Put "eat chocolate" at the top of your list of things to do today. That way, at least you'll get one thing done. A nice box of chocolates can provide your total daily intake of calories in one place. Now, isn't that handy?

If not for chocolate, there would be no need for control top pantyhose. An entire industry would be destroyed. You can't do that now, can you?

REMEMBER: "Stressed" spelled backward is "desserts"

Hosting the February General Meeting

The Art & International Affairs Department will be hosting the February General Meeting. The Art & International Affairs Department members are Coleen Garner, Kasey Waterman, Jane Land, Kelly Hancock, Nancy Guy, and Midge Rauch.

Ladies-

So that I can include this and any other pertinent information for the meeting in the upcoming newsletter, please let me know what you decide. If there is anything that you might want the general membership to bring with them for their participation in the meeting, please let me know that as well. The particulars of who will be doing the pledges and devotional will need to be provided so that it is included on the General Meeting agenda.

I will be sending a reminder email to you to get feedback for some of the items below and the rest are items that you will need to coordinate:

1. If you are going to have a themed meeting, what the theme is.
2. Who is going to do the Pledge of Allegiance?
3. Who is going to do the Junior Pledge?
4. Who is going to the devotional?
5. What type of program are you planning for the meeting? For example, Do you want to plan a game for everyone to participate? What is needed? Do you need club members to bring items for the game? OR Do you want to have guest speaker in lieu of the game or neither?
6. Raffle items or something else (Make It, Bake It, Take It?)
7. Food for Social Time
8. Set up and Tear down

Looking Ahead - Hosting the March General Meeting

For the March General Meeting, the Conservation & Home Life Department will be hosting. The Conservation & Home Life Department members are Joyce Johnston, Lauren Marler, Nancy Hutson, Misty Winter, and Michele Prado-McCary. Ladies be thinking of how and what you want to do for the meeting.

Club Affairs

Any newspaper articles that you find on any of the community projects that we have done, please cut them out and get them to one of this committee's members – Joyce Johnston, Lauren Marler, Jeannie Waterman, Ruth Morris, Anita Long, Lynn Werner or Sarah Hebert. Another option is to drop them in a folder in the membership filing box that is available at every general meeting. Also, any photographs taken at any event will need to be turned into these ladies as well.

Please keep in mind that our scrapbook is due by Fall Convention in September. In the spirit of starting a new year, let's collect items as events occur. Hopefully by doing this, the scrapbook will make its own pages!

Ladies it is not too early to start thinking about upcoming events that Junior's will be hosting. If you are chairing an event, please get the information to promote it to one of this committee's members. Also, you will need to figure a 3 week lead time so that the committee will have time to get it into the newspaper.

Finally one other item that I need to stress to everyone, this committee needs your cooperation in receiving newsletter articles in a timely fashion for publication in our club newsletter. Since the newsletter is emailed and sent out in the mail to other organizations in the community, please have any articles that you wish to have published to Lynn Werner at [ttwners@msn.com](mailto:ttwners@msn.com) by last Thursday of the month to meet the monthly cutoff. Below are the Newsletter cutoff dates:

Newsletter Cutoff Dates

February 28th                      March 27th                      April 24th

May (*Out for Summer*)      June (*Out for Summer*)  
 July 31<sup>st</sup>                      August 28<sup>th</sup>                      September 25<sup>th</sup>  
 October 30<sup>th</sup>                      November 28<sup>th</sup>

Anything received after the cutoff date will not be included in the newsletter. Please get your newsletter articles in on time – Thanks!

Finally, this committee will have the 2008 Yearbook ready for distribution at the February General Meeting.

Ways & Means

In addition to our major fundraiser, Shop and Social, the board has been considering working on and finishing the Cook book Fundraiser, which was started a few years ago, but never finished. We already have over half the funds available in the budget to complete the project. The project would consist of gathering recipes and typing them in a web based program, then having the book published and selling until all books have been sold. We would like to tie the project in with our 50<sup>th</sup> anniversary theme with gathering old pictures and club tidbits. Please let me know your thoughts on the subject.

Kasey is looking into the Carrabbas fundraiser and we are hoping to have all the details by the February meeting.

## UPCOMING EVENTS IN DISTRICT 8

GFWC Tampa Woman's Club -

Save this date, March 1, 2008 for Fashionollia 60 at the beautiful Renaissance Hotel at International Plaza in Tampa. Our theme once again is "The Art of Giving." Our Club chose the Children's Cancer Center (CCC) ([www.childrenscancercenter.org](http://www.childrenscancercenter.org)) as our charity beneficiary "because children should fly kites...not fight cancer!" The CCC, a non-profit organization, believes that a child's cancer diagnosis is a family diagnosis. They are dedicated to providing children who have cancer or chronic blood disorders and their families with the emotional, financial and educational support necessary to cope with their life-threatening illnesses. This year our honorary Co-Chairs are Michael and Dr. Tina Clayton. Michael is a wide receiver for the Tampa Bay Buccaneers. They both modeled in our show last year and have graciously agreed to help again this year. Our models this year are local TV and sports celebrities and will be wearing fashions from Dillard's. We also have eight children from the Children's Cancer Center modeling along with these celebrities. Our Boutique Shopping time has been expanded to two hours this year from 10am until 12pm. Between 10am and 11am there will be drawings for donated prizes so be sure to get there early. The doors of the ballrooms will open at 12pm so we can get the fashion show started by 12:30pm. A delicious lunch will follow the fashion show along with drawings for more prizes, entertainment and another opportunity to donate to this very worthy cause. Reservations for Fashionollia 60 are \$50 for general seating and \$125 for Patron's seating which also includes a gift commemorating our charity as well as your name in the program. To make reservations please mail your check, made out to GFWC Tampa Woman's Club, to 2901 Bayshore Blvd, Tampa, 33629, indicating Fashionollia 60 and the type and number of reservations requested. You may also call our office at 813.839.7457 for additional information. Remember, the sooner you make your reservation the better the seating. Your reservations will help make our largest charity event of the year even more successful than in years past. See you on March 1st at Fashionollia 60!!

GFWC Lutz/Land O' Lakes Woman's Club - held their Youth Writing Contest Reception on January 17th at the Lutz Community Center. The winners of all categories were honored and read their entries. The club honors their youth writing contest winners with a reception for the students and their families every year. Winning entries will be submitted to FFWC for judging.

GFWC Spring Hill Service League - "On Thursday, February 28th, the Spring Hill Service League will be sponsoring a Spaghetti Dinner at the Knights of Columbus on Spring Hill Drive. The proceeds will be given to Pasco/Hernando Hospice. Also, the Mummies will entertain. Tickets are \$10.00 each. If anyone cares to join us call

Carol Smith at 352-596-9165 or Nancy Cannon at 352-596-9690. A great time will be had by all."

A MESSAGE FROM YOUR FFWC PRESIDENT  
Good Morning Ladies,

I know you all are happy that the reports are out of the Presidents hands to the Chairman's hands.

My thanks to all of you for doing such a great job on your reports.

I am happy they will continue to be worked on by the chairmen and the District Directors so I will receive them on time to write the report that goes to GFWC on your behalf... I also will be happy when my report goes in to the proper people.

Win or not win is not the important result, the important thing is the wonderful deeds our Florida ladies did for others. You all should be so proud of the work you did to make others have a better life. Thank you from the bottom of my heart. It is wonderful being the leader of such an outstanding group of ladies.

Make your plans and reservations for convention for May 16 - May 18, 2008.

Just call the Rosen Plaza and use our group # and get those rooms reserved. NOW. Remember they go fast and you don't want to be left out.

Thank you for paying your dues on time and making our Treasures job a lot easier. We still have some Juniette clubs that need to pay the correct amount to remain in the GFWC - FFWC. Thank you for taking care of that.

Your contributions to the President Project "Making Dreams Come True" for Cancer Survivors have been wonderful.. There are many fund raisers being planned at this time to be done before we go to convention in May. That is wonderful and we certainly do appreciate the fact. Just send the money on into headquarters, or to Pat Zazzarino or to your President, (ME), so we can add to the check we will be giving on Saturday night, May 17, 2008.

We will be making many people happy on that night at the banquet, hope you will be there to enjoy what you have made possible through your wonderful works.

I love all of you and thank you again for remembering

"Love isn't Love until It's Given Away"

xx Pat Keel, FFWC president
