President's Message

Spring begins this month and with it new ideas and inspirations! At our last meeting we gathered in departments and planned wonderful projects and events for the year which we shared with the club. Please be sure to read through the newsletter for information on their upcoming plans.

At the March meeting we will be working on two hands-on projects. We will be making Easter baskets for Hope Lodge... Please see the Home Life article for further information on items needed for the baskets. In addition, we will make our Teacher Appreciation gifts.

The Business Expo will be held Tuesday March 11th, at the USF Sun Dome from 3 pm – 7 pm. Juniors are needed to greet and work the Junior table. We need at least 9 Juniors to work one hour at the door and one hour at our table. This event will allow Juniors to promote the club and participate in this community wide event. Admission and parking are free. Let's get out and network with our neighbors. Please sign up for a shift by sending an e-mail to Anita.

April 5th, Temple Terrace Art Auction at the Temple Terrace Country Club. Invitations will be going out shortly but please make plans to join in the fun, mingle with friends, and enjoy some fantastic art.

On April 17th we will celebrate our 50th Anniversary, Junior Fun Night, GFWC Federation Day, and an open house at Woodmont Clubhouse! We hope to showcase the many achievements that Juniors have accomplished during it's 50 years of service to the community. If you have or know anyone with a club memorabilia to share at the event please let me know.

The fundraising for Relay for Life has begun! Special thanks to Anita Long, Jeannie Waterman, and Joyce Johnston for their ongoing work and commitment to a event that touches us all. Please contact them to sign up to walk and we hope to see you all there on Friday April 18th at Greco Middle School.

Spring Convention will be held in Orlando, May 16th – 18th. This is a great opportunity to learn more about other clubs and activities throughout the state. Several workshops will be offered and we will share ideas for future projects. Best of all it's a great time to socialize with your sister clubwomen and make new friends from all over. We will be recognized for our 50th Anniversary. Way to Go Juniors, Happy Anniversary!

We are continually looking for new and creative ideas regarding meetings, departments, committees, and fund-raising, etc. If you have any ideas that can help our club be even better, please send me an e-mail with your thoughts. The next board meeting is on March 27, 2008.

Department Update

At the February general meeting, we divided up into various departments to plan activities and projects for the coming year. A BIG thank-you to Jeannie Waterman who stepped up to chair the Education and Public Affairs Department. Besides the Business Expo (3/11), Relay Yard Sale (3/29) and Relay for Life Temple Terrace (4/18-19), we are looking forward to putting together some Easter baskets for Hope Lodge, working on Teacher Appreciation gifts and donating some throws to Cair Flight. Look to our next meeting to find out more of the projects your department is putting together for the year. Any member can serve on any department project, so you are welcome to join in on whatever project interests you! Also, no idea is a "bad" idea - so if you have a great fund-raiser idea, bring it to the meeting and share it with your department.

- Anita Long, V.P. of Departments

EDUCATION DEPARTMENT

At our February meeting the members of the Education Department discussed many ideas of projects we would like our club to participate in. A few of those ideas were:

Teacher Appreciation – we plan to use our left over American Girl wands to make pens with a label stating, "You Are a Shining Star" for our local teachers. We hope to have the materials and a prototype of our Teacher Appreciation gifts at the March meeting so we can work on a hands-on

project during the meeting.

School supply drives - to help our schools at the beginning of the school year and throughout the year.

Terrace Read & Book Exchange – will take place at TT Elem. on Oct. 4th.

Box Tops for Education - this is the simplest form of support for our schools. Just clip the "Box Tops for Education" symbol on a variety of products from cereals to desserts to frozen foods to toilet paper, etc. Bring your clipped Box Tops to each meeting; we will redeem to earn cash for our schools. Please see the list of products in this newsletter.

Please feel free to let us know of any education related projects you would like to see us become involved in.

- Jeannie Waterman
Education Dept. Chair

Public Affairs Department

We have several ideas for projects and events our club can participate in this year. The first being the Business Expo at the USF Sun Dome on Tues., March 11th from 4-7 PM. All Juniors are encouraged to come support our club by helping in our booth or assisting the Chamber of Commerce. This is a great way to show our community all the benefits of being a GFWC Temple Terrace Junior Clubwoman.

Another fun event is interacting with the TT Woman's Club, Service League & our TT Juniores by having a float in the annual 4th of July Parade. National Night Out will be held on Aug. 5th and is another fun event with lots of activities for all families.

The Woodmont Historic Preservation / CIP (community improvement project) is another event that

would be beneficial to our community. More information about this project in the near future.

Committees Corner

Thanks to the Art and International Affairs Department for hosting the February General Meeting!

This month the Conservation and Home Life Department will be hosting the general meeting and are guaranteeing it to be a busy one! They are looking for assistance from the club to fill Easter Baskets for the Hope Lodge. Items needed for the baskets are hard candy, pens, pencils, notepads, crackers, mints, playing cards, light reading. We will also be working on teacher appreciation gifts.

Last but not least, I would like to wish each of you a Happy St. Patrick's Day and may the luck of the Irish be with you!

Hosting the March General Meeting

The Conservation & Home Life Department will be hosting the March General Meeting. The Conservation & Home Life Department members are Joyce Johnston, Lauren Marler, Nancy Hutson, Misty Winter, and Michele Prado-McCary.

Ladies-

So that I can include this and any other pertinent information for the meeting in the upcoming newsletter, please let me know what you decide. If there is anything that you might want the general membership to bring with

them for their participation in the meeting, please let me know that as well. The particulars of who will be doing the pledges and devotional will need to be provided so that it is included on the General Meeting agenda.

I will be sending a reminder email to you to get feedback for some of the items below and the rest are items that you will need to coordinate:

1. If you are going to have a themed meeting, what the theme is.
2. Who is going to do the Pledge of Allegiance?
3. Who is going to do the Junior Pledge?
4. Who is going to the devotional?
5. What type of program are you planning for the meeting? For example, Do you want to plan a game for everyone to participate? What is needed? Do you need club members to bring items for the game? OR Do you want to have guest speaker in lieu of the game or neither?
6. Raffle items or something else (Make It, Bake It, Take It?)
7. Food for Social Time
8. Set up and Tear down

Looking Ahead - Hosting the April General Meeting

For the April General Meeting, the Education & Public Affairs Department will be hosting. or Sarah Hebert. Another option is to drop them in a folder in the membership filing box that is available at every general meeting. Also, any photographs taken at any event will need to be turned into these ladies as well.

Please keep in mind that our scrapbook is due by Fall Convention in September. In the spirit of starting a new year, let's collect items as events occur. Hopefully by doing this, the scrapbook will make its own pages!

Ladies it is not too early to start thinking about upcoming events that Junior's will be hosting. If you are chairing an event, please get the information to promote it to one of this committee's members. Also, you will need to figure a 3 week lead time so that the committee will have time to get it into the newspaper.

Finally one other item that I need to stress to everyone, this committee needs your cooperation in receiving newsletter articles in a timely fashion for publication in our club newsletter. Since the newsletter is emailed and sent out in the mail to other organizations in the community, please have any articles that you wish to have published to Lynn Werner at ttwerners@msn.com by last Thursday of the month to meet the monthly cutoff. Below are the Newsletter cutoff dates:

The District 8 Arts & Crafts Show was held in Dade City this year. 2 entries came from our club, Lynn Werner's photo from Washington D.C. and Anita Long's acrylic painting "Glowing Calla Lilies". Lynn made first place and her photo will be judged at the state level at Spring Board. Anita placed fourth. Way to go, Juniors! Creative & crafty Juniors out there, be sure to enter something in the contest next year which will be judged at our Installation Banquet in January.

Many thanks to Lynn for attending the Bingo Party the other night. I am sorry that more of you could not attend because we had lots of fun raising money for Relay for Life. Our next big event is our Easter Egg Hunt on Saturday, March 15th, at 10:00 a.m. at Riverhills Park. I hope those of you who have small children can attend, and please let your friends and neighbors know about it, too. The money raised from that also goes to Relay for Life. If you would like to donate individually wrapped candy, please drop it by my house before Monday, as we will be stuffing eggs then.
